ABOUT THE EVENT

Africa Enterprise Week 2023: Accelerating Social Impact Through Inclusive And Sustainable Enterprise Development

This flagship gathering is the preeminent pan-African summit focused on exploring inclusive and sustainable pathways that promote collaboration between the public, private, and social sector to foster growth and engender shared prosperity without adverse impacts.

CALL FOR PARTICIPATION

The Africa Enterprise Forum convenes a cross sector network of like-minded collegiality to proactively foster innovations in enterprise development that address local problems and make a difference in communities across Africa. We believe the continent's opportunities for growth far outweigh the challenges. Our focus is to place MSMEs at the centre of the economic transformation agenda, and to amplify the responsibility of business in addressing societal challenges.

This call for participation is intended to enable a wider engagement for collaboration with all stakeholders who seek to contribute and share insights and perspectives on advancing innovation, growth and change through inclusive and sustainable enterprise development. Participants will deliberate, network, and connect with prospects, decision-makers, and solution providers while also forging new links, building reliable partnerships, and strengthening existing relationships.

We are looking forward to your ideas! Whether it is raising awareness or influencing the agenda - don't miss this chance to get involved and play your part in shaping the future of enterprise and ensuring our society is more equitable, inclusive, and prosperous!

AGENDA HIGHLIGHTS

- **Conference:**
 - Panels, keynotes, roundtable, masterclass, case studies, launches, interviews, speed meetings, fireside chats, podcasts and live streaming.
 - 6 thematic sessions (sustainability, local empowerment, impact investing, digitalisation, responsible business, and good governance).
- **Workshop/ Seminars:**
 - 3 full day tailored programmes (SME training, philanthropy, and asset protection).
 - In-depth learning sessions with expert presentations and pre-scheduled meetings.
- **Exhibition:**
 - Display, demonstration, performance, temporary installation, field tests, pop-ups, artistic fair, virtual/augmented reality, contests/giveaways.
 - Develop or test ideas, draw attention to issue/cause, promo/short film.
- **Hospitality:**
 - Dinner, cocktail reception, lunch, refreshments, business breakfast, awards, golf.

Submit your proposal

All submissions must be made [online](#) to facilitate the blind peer review process. Submissions will be assessed for quality, relevance and potential or actual impact. Accepted proposals will be included in relevant thematic sessions in the programme. It is necessary for all participants to complete their registration before the deadline, prior to publication of the final programme.

“The best time to plant a tree is 20 years ago. The second-best time is now.”

- African proverb
